# SO WHAT?

1. Immerse ourselves in the Word of God

2. Pray

For our children

For our church

For our persecuted brothers & sisters

For those who have believed the lie

3. Live

For Christ and Christ alone

Not in fear of what man can do but knowing what God will do.

Every day as if the next were your day of promotion

As a light to your Oikos

4. Remember:

God has not changed

Scripture has not changed

The Church mission has not changed

The world has not changed

Jesus is the same today... forever

We serve an unchanging God who always leads us through uncertain times.

“Together becoming fully devoted followers of Christ”
