Galatians 5:13-26

Pastor Niall Philyaw

### **SERMON NOTES~**

### **DISCUSSION QUESTIONS~**

1. How are the fruit of the Spirit more than mere niceties? Do you think that they are radically counter cultural in their true form?
2. Have you ever reflected on the nature of Christian freedom? What do you find most amazing about it? How extensive is it?
3. Why is it important to distinguish between fruit being the evidence of our relationship with God rather than the means of salvation?
4. What fruit do you most recognize in yourself? Which fruit do you have most trouble submitting to the will of the Holy Spirit?
5. How have you seen evidence of the gradual growth of fruit in your life or someone else's life?

6. What is the significance of 'fruit' being singular (rather than plural)? Is it possible to show evidence of one fruit but absent in another?
7. How can we submit more to the will of the Holy Spirit living in us?
8. What are the habits that can help cultivate fruit flourishing?
9. What would it look like in your life to more readily 'walk' or 'keep in step' with the Spirit?
