

TIP Sheet (Take It Personal)

Use the below questions to aid you in making personal application of our study in the Word.

Living According to the True Gospel

Galatians 1:1-13

1-11-2015

1. During this week take some time to read through the six chapters of this short letter.
2. Paul gives us an outline of the Gospel in verses 3 & 4. What are the parts he describes for us?
3. What was Paul's mood as he wrote to the Galatians. Compare the opening verses of Galatians with those in Colossians, 1 Thessalonians & Philippians.

What caused this attitude?

Does it seem justified?

4. How would you describe Paul's main concern? (vv. 6-7)

5. What was this "different gospel" the Galatians were turning to? (2:11-13; 3:1-3; 10-13, 24-26; 4:8-10; 5:2-4)
6. According to 1:6-7, any change to the gospel makes it null and void. Why is that true?
7. How is the gospel distorted today? How are we prone to deserting the true gospel and living otherwise?
8. Write out the gospel in your own words. That is, as you understand the gospel at this moment in your spiritual journey.

What has God impressed upon you from this study?
